B.Tech(IT) - Industrial Internship Review – Through MS Teams

Fall sem 2020 - 08.10.2020

Guidelines for Students

1. Review is through Teams

2. Your panel member mobile number is given in panel sheet, please call and confirm the timings

3. Mark distribution

The components for mark distribution during review as follows

A - Application of knowledge gained in B.Tech. Courses [like Data Structures, Database, Networks, Operating Systems] techniques used in the industrial training - **10 marks**

B - New technical skills developed during the training period (i.e. New Software, Hardware... tools learned) - **10 marks**

C - Non-technical skills developed during the training period (i.e. Team Work, Leadership, Management skills...) – **10 marks**

D – Question & Answers - **10 marks**

E – PPT presentation – **10 marks**

4. Be ready with a report on industrial internship based on the earlier communicated mail towards report format (from HOD, Department of Information Technology , Friday 28.08.2020, 10.32 pm)

5. The softcopy of the report has to be uploaded in google link (Google Link for document upload: <https://forms.gle/ahvsznnV9NHSmaQW9>)

6. Prepare a PPT for the review with all necessary contents including soft copy of certificate.

7. Strictly follow the other instructions (already circulated) during the preparation of report and its format. It carries marks.

8. Should enclose softcopy of industry certificate in report copy. It carries marks.

9. Download the format of attendance sheet.

10. Students are informed to send the filled and scanned attendance sheet to B.Tech(IT) secretary ambujam.s@vit.ac.in after filling all the details asked in that sheet.

ALL THE BEST.
